Publishes research related to capital markets for lawyers, covering all of the fields within this practice area: debt; derivatives; equity; high yield products; securitisation; and repackaging. Covers the financial centres in the US, Europe and Asia.

Journal

The Chinese Journal of Comparative Law

Publishes comparative studies on all disciplines of law, including cross–disciplinary legal studies. Papers address significant issues in comparative law and topics relevant to the development of China?s legal system and the wider developing world.
